Poltrona Frau La Collezione

VIAGGI INTERIORI

Quando viaggiamo, o anche semplicemente entriamo in un ambiente nuovo, possiamo osservare i particolari o cogliere l'insieme di quel che abbiamo intorno. Subito però percepiamo qualcosa di indefinibile: una sorta di relazione segreta fra i mobili, gli oggetti, la luce e il paesaggio esterno che comunemente chiamiamo "atmosfera". Un'atmosfera che sentiremo tanto più nostra quanto più capace di somigliarci, di intercettare il nostro stato d'animo, di farci sentire a nostro agio con noi stessi e con gli altri.

Poltrona Frau ha appunto l'ambizione - più che di progettare e produrre mobili - di creare un'armonia fra le persone, gli spazi e le cose. Un'intima consonanza che ci accompagni senza mai imporsi allo sguardo, una sorta di fil rouge emotivo ed estetico che comprenda e accolga spazi e stati d'animo diversi con la stessa discreta, elegante sensibilità.

E diventa quindi una sorta di esplorazione interiore quella che presentiamo in queste pagine: luoghi e ambienti molto lontani fra loro - dalla villa sul mare immersa nella macchia mediterranea all'attico che domina le brume cittadine - diventano altrettante tappe di un percorso, di uno sguardo coinvolto e consapevole della relazione che intercorre fra il paesaggio fuori di noi e quello dell'anima. Un viaggio accompagnato dalle parole di grandi scrittori legati a quei luoghi, per darci nuovi occhi con cui guardare, con cui guardarci.

INTERIOR JOURNEYS

When we travel, or even simply enter a new environment, we can look at its details or grasp the overall sense of what is around us. At first glance, however, we perceive something indefinable: a sort of secret relationship between the furniture, the objects, the light and the landscape outside, which we commonly refer to as "atmosphere". An atmosphere which we can feel our own only in relation to how much it can resemble us, interpret our state of mind, make us feel comfortable with ourselves and with others.

Poltrona Frau in fact aims not only to design and produce furniture, but also to create harmony between people, spaces and things. An intimate concordance which accompanies us without ever infringing on our gaze, a sort of common emotive and aesthetic thread that includes and accommodates different spaces and states of mind with the same subtle, elegant sensibility.

And so what we present on these pages becomes a sort of interior exploration: very different places and environments - from the house by the sea set in the Mediterranean scrub, to the penthouse that overlooks the city mists - become as many other stages in a journey, of an engaged and conscious glance at the relationship that exists between the landscape outside of us and inside of us. A journey accompanied by the words of great writers linked to those places, to give us new eyes to see with, and to see each other.

VOYAGES INTÉRIEURS

Lorsqu'on voyage, ou même simplement lorsqu'on entre dans une nouvelle pièce, on peut observer les détails ou saisir l'ensemble de ce qui nous entoure. Mais on perçoit aussitôt quelque chose d'indefinissable: une sorte de rapport secret entre les meubles, les objets, la lumière et le paysage, que l'on appelle communément l'"atmosphère". Une atmosphère que nous ressentons d'autant plus comme la nôtre dans la mesure où elle peut nous ressembler, intercepter notre état d'âme, nous faire sentir à notre aise avec nous-mêmes et avec les autres.

L'intention de Poltrona Frau est précisément - plutôt que de concevoir et produire des meubles - de créer une harmonie entre les personnes, les espaces et les choses. Une consonance intérieure qui nous accompagne sans jamais s'imposer au regard, une sorte de fil rouge émotionnel et esthétique capable de comprendre et d'accueillir des espaces et des états d'âme différents avec cette même sensibilité, discrète et élégante.

Ce que nous présentons sur ces pages devient alors une sorte d'exploration intérieure: des lieux et des cadres très éloignés entre eux - de la villa au bord de la mer, immergée dans le maquis méditerranéen, à la mansarde qui domine les brumes citadines - qui deviennent les étapes d'un parcours, d'un regard impliqué et conscient de la relation qui existe entre le paysage hors de nous-mêmes et celui de notre âme. Un voyage accompagné des mots de grands écrivains liés à ces lieux, pour nous donner de nouveaux yeux avec lesquels regarder et nous regarder.

INNERE REISEN

Wenn wir reisen, oder auch nur in eine neue Umgebung kommen, können wir die einzelnen Details betrachten oder unser Umfeld als Ganzes erfassen. Sofort nehmen wir jedoch etwas Undefinierbares wahr: eine Art geheime Beziehung zwischen den Möbeln, den Objekten, dem Licht und der äußeren Landschaft, die wir gemeinhin als "Atmosphäre" bezeichnen. Eine Atmosphäre, die wir umso eher als unser eigen empfinden, je mehr sie uns ähnelt und in der Lage ist, unsere Stimmung aufzugreifen und uns in Einklang mit uns selbst und mit den anderen fühlen zu lassen.

So ist Poltrona Frau bestrebt, nicht nur Möbel zu entwerfen und zu produzieren, sondern vor allem eine Harmonie zwischen Menschen, Räumen und Dingen zu schaffen. Ein intimer Gleichklang, der uns begleitet, ohne sich je dem Blick aufzudrängen, eine Art emotionaler und ästhetischer roter Faden, der verschiedene Räume und Stimmungen mit derselben diskreten, eleganten Sensibilität umfassen und aufnehmen kann.

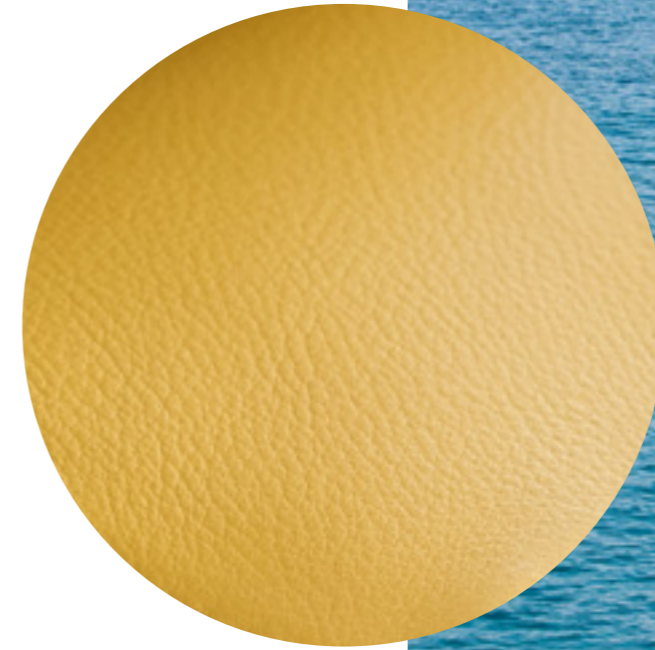

Es ist also eine Art innere Erkundungsreise, die wir auf diesen Seiten präsentieren: Sehr weit voneinander entfernte Orte und Räume - von der Villa am Meer inmitten der mediterranen Vegetation bis hin zum Penthouse, das über dem Nebel der Stadt thront - werden zu zahlreichen Etappen eines Weges, eines wissenden Blickes, der sich der Beziehung zwischen der äußeren Landschaft und jener unserer Seele bewusst ist. Eine Reise, begleitet von den Worten großer Schriftsteller, die jenen Orten verbunden sind, um uns neue Augen zu schenken, mit denen wir sehen und einander ansehen können.

Lago di Como

“The infinite chirping of the earth seemed consubstantial with the light; and the hill sloped down, quite green, after the brief leisure of the lakes, there were other hills in the light, and on, and on. The dazzled eye wanted to pursue there a new fable, tenuous, very sweet, among distant scenes, in the deceit of the prospect of flight, wandering about as if for a theft of love in the pale blue of those leveled basins.”

Poltrona Frau La Notte

LA NOTTE

La notte avvolge ogni cosa, i suoni si attutiscono e la vita si apre a un sogno. Un grand tour fra palazzi incantati e meravigliose dimore attraverso un'Italia silenziosa e appartata ma piena di bellezza.

Di stanza in stanza affiora una storia di arte e di magia, che si svela pienamente nella prima luce del mattino. Le quinte profonde di una grande finestra. Un affresco prezioso e i suoi colori voluttuosi. Il gioco di pieni e vuoti di un'antica boiserie. E poi forme disegnate per accogliere il sonno con naturale eleganza. La pelle lavorata da artigiani che ne conoscono tutti i segreti. Il cuoio e i tessuti. Il legno e l'acciaio. Soffici piume e raffinate cromie. Il letto come architettura e nido. Come incontro calibrato fra design contemporaneo e tradizione.

Benvenuti nella notte di Poltrona Frau, dove vivere un sogno italiano che continua ogni giorno.

Con questo progetto Poltrona Frau sostiene il FAI – Fondo Ambiente Italiano e la sua indispensabile attività di tutela e salvaguardia del patrimonio artistico e paesaggistico d'Italia.

THE NIGHT

The night shrouds all things, sounds soften and life unfolds into a dream. A grand tour of enchanted buildings and magnificent mansions in a silent and secluded yet beautiful Italy.

Room after room tells a story of art and magic, which is fully revealed in the first light of dawn. The deep recesses of a large window. A precious fresco of sumptuous colours. The interplay between solids and voids in ancient wood panelling. And then, shapes designed to welcome sleep with natural elegance. Leather worked by artisans who know all of its secrets. The leather and the fabrics. The wood and the steel. Soft feathers and refined colours. The bed which is both architecture and nest. A calculated melding of contemporary design and tradition.

Welcome to the Poltrona Frau night, where your Italian dream continues day after day.

Through this project Poltrona Frau supports the FAI - Fondo Ambiente Italiano (the Italian National Trust) and its indispensable work for the protection and conservation of Italy's artistic and natural heritage.

LA NUIT

La nuit enveloppe tout et amortit les bruits, la vie s'ouvre à un rêve. Un grand tour dans des palais enchantés et de merveilleuses demeures, dans une Italie silencieuse et réservée mais pleine de beauté.

D'une chambre à une autre émerge une histoire d'art et de magie, qui se dévoile pleinement dans la première lumière du matin. Les coulisses profondes d'une grande fenêtre. Une fresque précieuse, et ses couleurs voluptueuses. Le jeu de pleins et de vides d'une boiserie ancienne. Et puis des formes conçues pour accueillir le sommeil avec une élégance naturelle. Le cuir traité par des artisans qui en connaissent tous les secrets. Le cuir et les tissus. Le bois et l'acier. Des plumes légères et des tons raffinés. Le lit comme une architecture et un nid. Comme une rencontre calibrée entre le design contemporain et la tradition.

Bienvenue dans la nuit de Poltrona Frau, où vous pourrez vivre un rêve italien qui continue tous les jours.

Avec ce projet Poltrona Frau soutient le FAI – Fondo Ambiente Italiano (Fonds pour l'Environnement Italien) et ses indispensables activités de protection et de sauvegarde du patrimoine artistique et paysager d'Italie.

DIE NACHT

Die Nacht hüllt alles ein, die Geräusche erscheinen gedämpft und das Leben öffnet sich einem Traum. Eine Reise zu märchenhaften Palazzi und zauberhaften Anwesen quer durch ein ruhiges und abgeschiedenes, aber stets wunderschönes Italien.

Von Raum zu Raum tritt eine Geschichte voller Kunst und Magie zu Tage, die im frühen Morgenlicht gänzlich erblüht. Die tiefen Kulissen eines großen Fensters. Ein kostbares Fresko und seine üppigen, überbordenden Farben. Das Spiel mit geschlossenen und offenen Flächen einer antiken Boiserie. Und schließlich die eigens kreierten Formen, um den Schlaf mit natürlicher Eleganz zu empfangen. Das von Kunsthandwerkern nach allen Regeln der Kunst verarbeitete Weichleder. Das Hartleder und die Stoffe. Das Holz und der Stahl. Weiche Federn und eine raffinierte Farbgebung. Das Bett als Architektur und Nest. Als ausgewogene Begegnung zwischen zeitgenössischem Design und Tradition.

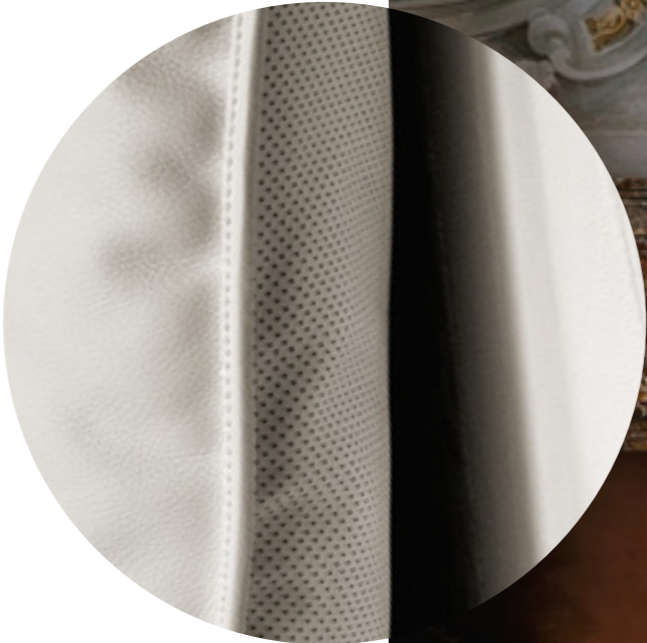

Willkommen in der Nacht von Poltrona Frau, wo ein italienischer Traum jeden Tag aufs Neue geträumt wird.

Mit diesem Projekt unterstützt Poltrona Frau den Fondo Ambiente Italiano (FAI, Gemeinnützige Stiftung für Denkmalpflege und Naturschutz in Italien) und seine unverzichtbare Arbeit zum Schutz des künstlerischen und landschaftlichen Erbes Italiens.

John~John

The softness and design of the John-John
sofa in a bed with huge potential.
Natural balance. Confident elegance.

Aurora Due

A seductive interpretation of the night.
The headboard is large and inviting,
embellished by delicate modelling
and punctuated at regular intervals
to create a modern capitonné effect that
will take you back to the 1800s.

Eosonno

Soft elegant lines. Comfortable attitude.
The slightly curved headboard that envelops,
almost embracing the mattress,
is the characterising feature of this bed.
Four metal feet support the structure
and give it a contemporary look.

Giselle

Theatrical and, at the same time, unassuming.
The four conical feet form part of the
frame and taper off towards the floor,
evoking a sensation of extreme lightness.
It was as if the Giselle had entered the room
on tiptoes, almost weightless.

Gran Torino Coupé

The key compositional element of the Gran Torino Coupé Bed is the headboard, which creates an elegant sense of continuity with the bed frame. Delicate 'x'-quilting, carried out by hand with contrasting thread, decorates the quilt padding of the headboard.

Jack

Jack has all the authority and character of a product that defines an environment. The headboard is superbly rigorous embellished by a light and delicate hand-stitched X motif that expresses Poltrona Frau's traditional artisan skills. Jack can be enriched by two bedside resting surfaces, upholstered to match the bed.

Paola

Lelit

A bed-game made-to-“dream”-measure,
that can be so many beds, so simply.
The high, padded headboard,
almost a windbreak that envelops and protects,
consists of two independent,
flexing wings that can be freely shaped
and close gently like a shell to enwrap,
or fold at various angles, even becoming
a soft support for pillows.

Mamy Blue

A bed designed to take centre stage in the room where its headboard stands out, inspired, in terms of the curved lines that envelop the sleeping surface, by the Lazzeroni armchair from which it takes its name.

Bretagne

A calibrated and harmoniously designed bed of measured elegance.

A vision of great balance, putting particularly emphasis on the characteristically rounded headrest. Composed of a solid poplar and beech frame with mixed-density padding, it is slightly inclined and made even more comfortable by the cushions which facilitate an easy reading position as well as relaxation.

Volare

Roberto Lazzeroni outlines a light and airy vision of the classic four-poster bed. His design is for a large structured bed, luxurious in terms of its workmanship and natural materials, yet at the same time discrete and sparing. It is a warm and welcoming bed, an oasis of comfort and relaxation, perfect for the middle of the room and for big spaces.

Suzie Wong Suzie Wong Extra

Inspiration for the Suzie Wong bed comes from romantic comedy films in the fifties and, even further back, sumptuous alcoves from the 1700s. Roberto Lazzeroni gives us a light, feminine, almost twee version. The reference model is the classic boat bed, streamlined in a very modern makeover.

Lola Darling

The lines of the Lola Darling bed are generous and soft. The prominent headboard, sculpted with great technical craftsmanship, gently opens at the sides.
